

*February 2010*

*Dear Parishioners,*

*Peace be with each of you.*

*In our Second Reading for Ash Wednesday we read in Paul's Letter to the Corinthians:*

*Brothers and sisters:*

*We are ambassadors for Christ,  
as if God were appealing through us.*

*As we reflect on our world and on all that is touching our own lives and those of relatives, friends, and neighbors we see that there is a great need for us to respond to God's appeal to be ambassadors for Christ.*

*If we are faithful to prayer and our relationship with the Lord we will be fortified with the graces necessary to respond to God's appeal.*

*May the events of this Lenten Program bring you opportunities for prayer and reflection, strengthening you to be among those who bring love and peace to the world.*
